This letter is in reference to our July 2004 quarterly report, which we have already amended. As per our conversation, we will be voiding the refund checks to SBC Communications Inc. Federal PAC that were issued in reference to your letter dated August 17, 2004. Voiding these checks is appropriate because the contributions in question, from Cingular Wireless LLC Employee PAC, were all allocated to BellSouth Corporations Employees' Federal PAC and therefore count toward the BellSouth PAC contribution limit and not SBC's limit. This is referenced in AO 2001-18.

Sincerely,  
Holly Giarraputo,
